

Thank you to our Friends and Supporters

Greetings!

Here at the University Libraries, we would like to extend our sincere gratitude to each donor included in this listing. Your support makes an immediate impact and helps ensure our future success. Many donors also give the invaluable gift of their time, serving on the boards and committees of our advisory groups or volunteering throughout our organization. We wish to thank every single donor and volunteer for the instrumental support.

Thank you all.

Lisa German

University Librarian and Dean of Libraries, McKnight Presidential Professor
